### Only YOU can make the most of your ATA membership!

The value of ATA membership can be measured in many ways—group discounts, resources, education, connections, and marketing. But perhaps the best benefit of all is the ability to be online 24/7 in one of ATA's online directories.

ATA's reputation and access to professional translators and interpreters, as well as language services companies, drive serious clients to ATA's online directories.

The return on your listing in ATA's online directories can more than cover the cost of your membership.

### Log into your Member Center to create or update your directory listing!

### What ATA members are saying ...

ATA is a huge source of information for me. I feel much better informed about the state of the industry, about technology, about standards, about educational opportunities, about the marketplace, about ethics in the marketplace because of my ATA membership.

- Jennifer G.

The growth I've seen in my career is only part of what ATA means to me. ATA means a home for professionals who are like me as well as those who are different. And I think it doesn't get much better than this.

- Madalena S.

As a member now living in Germany, ATA is my professional bridge across the big pond. It connects me to colleagues, keeps me informed about the T&I industry, and allows me to play an active role in the future of our profession. To renew or not? It's not even a question.

- Matt B.

### Become an ATA Voting member!

#### Who is eligible to become a Voting member?

ATA Associate members who can demonstrate that they are professionally engaged in translation, interpreting, or closely related fields may be eligible for Voting membership. The qualification process, called Active Membership Review, is free and online!

#### Why should I become a Voting member?

Voting membership opens doors to your participation in the Association—take part in ATA elections, volunteer for Division and Committee roles, and increase your professional networking possibilities.

Check it out at [www.atanet.org/become-a-voting-member](http://www.atanet.org/become-a-voting-member).
